General comments:	I am very concerned at the number of short term rentals (Airbnbs) being set up at Lake Hood. Our place is surrounded by 3 within 100m and 6 within 500m. We purchased here for our family to grow up in a peaceful environment and not somewhere people are running accommodation businesses. We expect the council to enforce business consent requirements as other councils thru out NZ are doing to maintain their residents right to a peaceful residential existence.
