What do you think about our plans for our other projects and activities?: Think the meter rates increases are ridiculous. I have just brought a first home and running a small business in town it is already hard enough after paying all the licenses the council requires such as food licence, liquor license, waste management fee. So adding another increase just might aswell leave me with nothing. Really hope you can do something for the people of Methven. I can honestly say I do not want to pay towards the Heritage site and hall. There are plenty of other places in town to hire and hold events if necessary.
