Do you agree with our preferred option or do you support another option?

Drinking water meters: Don't install meters

Let us know why: There are systems available at present to monitor leaking pipes without spending such large sums of money. Present Councillors need to understand Ashburton Ratepayers have not got bottom less pits when it comes to money.

Elderly Persons Housing: Status quo - inflationary rent increases + general rate

Let us know why: Surely one thing we as Ratepayers can do is provide a little support for our less well off elderly persons in their later years of life.

What do you think about our plans for our other projects and activities?: Absolutely disgusted with the new Administration Castle. Totally unwarranted. Town Centre upgrade great. Sewer infrastructure upgrades absolutely necessary. Now let's spend a bit more money on Roads and Foot Paths.
