1 Do you think we should decrease our day-to-day levels of service to reduce the average rate increase? Yes No

Why/why not?

Its important to keep facilities open & keep Ashburton looking presentable when driving through.
If so, what should we do less of?

2 Do you agree with using \$1.7 million from our forestry reserve to pay for major roading repairs? Yes No

Why/why not?

huge safety aspect. - potholes are dangerous!
Slowing wrecking peoples cars/vehicles - expensive to maintain. The repairs need to be done properly once

3 General comments:

The rate increase is necessary to keep the district up to standard.

Would you like to be added to our database to provide feedback on future consultations? Yes No
