Full Name: Nick Macklin

**Do you agree with our preferred option or do you support another option?**

Drinking water meters: Don't install meters

Let us know why: Its just a means to an end for Ashburton Council to make residents then have to pay for water used which I oppose.

Elderly Persons Housing: Self sustaining in 7 years

Let us know why: Good idea, best to be implemented over a longer time so people who use these facilities can make alternative plans

What do you think about our plans for our other projects and activities?: Go ahead with second bridge in Ashburton. Good idea. Rates rises for Methven are too much of an increase. Such a large increase is opposed.
