

Submission to the Ashburton District Long Term Plan 2021 - 2031

Mid Canterbury Four Wheel Drive Club, in conjunction with the Ashburton Hakatere River Trail Committee have prepared the below submission to be considered by Council as part of the Long-Term Plan 2021-31.

We wish to speak in support of this submission at the hearing.

The community volunteer-based groups that comprise this committee provide countless hours towards the progression of walking, cycling, horse-riding, 4WD and motorbike tracks that follow the course of the Ashburton River. This group originally had strong support from council when the committee was formed 10 years ago, including a robust and dedicated budget allocated specifically to these developments.

We believe Council recommitting to this time-proven successful and popular development would have immense benefits for a vast portion of the community, as such aligning with the values in the Long-Term Plan as detailed below:

- Residents will achieve a sense of community and belonging through the opportunity to contribute to the development of a valuable community asset that is the riverside tracks.
- The riverside tracks form part of our district's great spaces and places - they are the ultimate natural-environment recreational space to assist in promoting a healthy lifestyle.
- Many of the groups working alongside the river have a strong environmental focus. Through native planting we are helping to promote a sustainable resource that can be enjoyed by many generations to come.
- The tracks we have developed attract visitors from outside the Ashburton District thus assisting with the economic development of the district. Four Wheel Driving is enjoying a noticeable increase in popularity across various age groups within the District and the wider Region with over 850 noted users of the 4x4 park over the last 12 months.

We believe the preceding combined efforts of Council and volunteer groups should be preserved and further enhanced by way of an ongoing partnership and maintenance program. The success of this partnership will require a financial commitment from Council, in conjunction with transparent and open communication between the groups.

We thank you for the opportunity to provide this submission, and trust Council will consider all points with the best interests of the community in mind.

Steve Adam

Committee member of the Ashburton Hakatere River Trail Committee and
Club President of the Mid Canterbury Four Wheel Drive Club
