Do you agree with our preferred option or do you support another option?

Drinking water meters: Spread over 3 years - Our preferred option

Let us know why: Not sure how or why Rate D owners now have only 1200ltr per day then charged for more? Why not all households on the same payment option?

Elderly Persons Housing: Self sustaining in 7 years

Let us know why: They all need time for increases. Once most ppl now retire in 15 years some should have kiwi saver to help fund accom like this. I think its important to have council owned accom for those who need it th emost.

What do you think about our plans for our other projects and activities?: Agreed with council building. All staff need to work from a safe and comfortable location.
