**1** Do you think we should decrease our day-to-day levels of service to reduce the average rate increase?  Yes  No

Why/why not? Manyon fixed incomes struggling with the cost of living crisis.  
Also constant increase over years of new services at expense of core services.  
If so, what should we do less of?

Recreation facilities - more user pays.

**2** Do you agree with using \$1.7 million from our forestry reserve to pay for major roading repairs?  Yes  No

Why/why not? Road repairs have slipped so far behind needing an injection of cash. (Don't blame the May floods for a lack of investment.)

**3** General comments:

Stating that Ashburton District rates are lower than other Councils is irrelevant and an affront to ratepayers.

Would you like to be added to our database to provide feedback on future consultations?  Yes  No
