What do you think about our plans for our other projects and activities?: It is great and it is perfect to start with.. Lack of facilities and for us to lease and own (purchasing) Would be awesome if the Ashburton district council could possibly lend us a land or a property on a land so we could build a hall/ church on for our Congregation which has been established more than 10years now, so we could hold events on that HALL open to the Public, a space where we could hold a Multicultural preschool for all new comers who have reside in our beautiful place too. This is also willing to ask if there is a space to have in the Domain not very far from the Pavilion Hall or even in another good area in Town. Would be much appreciated from your perspective in terms of assisting us in the Long Run to serve Ashburton and its much valuable and profitable work..> We are so eager to serve this Town in rest of our times on Earth... So!God Bless us all in Ashburton ... Safe Journey everyone.. Yours Sincerely.. for CCCSA.. 0211465139
