Do you think we should decrease our day-to-day levels of service to reduce the average rate increase? :	No
Why / Why not?:	
If so, what should we do less of?:

Do you agree with using \$1.7 million from our forestry reserve to pay for major roading repairs?:	No
Why / why not?:	Roading in our district is an ongoing issue. The justification for a one off large spend because of weather and wear and tear is likely to occur again in the near future. I do not agree that spending capital reserves on repairs is a good use of these funds.
