

**Submission to Ashburton District Council  
on Long Term Plan re: location of second  
Ashburton Bridge**

I wish submit my opinion that the new bridge  
should be straight through from West St to Melcomb St.  
There are far more houses etc affected on Balmers Ave that  
would be on West St.  
West St is main highway and NZTA would be the  
ones to pay for it. 100% A.S.A.P.
