What do you think about our plans for our other projects and activities?: The rates increase for Methven is appalling. While I am not naive enough to believe that rates will not increase, an almost 15% jump is ludicrous. There seems to have been a lack of management on behalf of the ADC if a jump of this magnitude is supposedly needed. A lot of money seems to be being spent on what appear to be 'vanity' projects over the last few years, all based in Ashburton - the Art Gallery is a prime example - and now almost \$50,000,000 is budgeted for the new Civic Centre? Why is this going ahead now? I have lost faith in the ADC's ability to manage, plan and prioritise.
