Drinking water meters

- Spread over 3 years – our preferred option
- All in 1 year
- Don't install meters

Let us know why

We do need to be accountable for what we use and also to help keep our water at a sustainable level

Elderly Persons Housing

- Self-sustaining in 2 years – our preferred option
- Self-sustaining in 7 years
- Status quo – inflationary rent increases + general rate

Let us know why

Life is hard for our elderly they've give enough and a lot have fallen on tough times

What do you think about our plans for our other projects and activities? Any other comments?

I talked to one of our greatest Majors years ago Geoff Geering who believed the bridge should have been push back then. I remember a number of around 5million was discussed. Every year it goes up at least 2million do it. West Street is what the founders planned for 100 years ago
