

**Submission to Ashburton District Council
on Long Term Plan re: location of second
Ashburton Bridge**

A new state Highway to be formed
North side of the Railway line

West Street --- eventually all the way
to Timaru. The railway line would
become the median strip. So the

West ~~side~~ side of Railway (two Lanes
one direction) while East side of
the Railway line (also two lanes - one way)

This is an NZTA / state highway problem
and NZTA should pay 100%.
